# The Game Official

*In the game of football, the game official represents the ultimate in integrity for any competition. By their very nature, officials are neutral and are responsible to keep the contest played on equal terms. Through actions on and off the field, officials must earn the respect and confidence of players, coaches and spectators. This confidence and respect is not earned by words, but with unquestioned honesty, demonstrated ability, obvious devotion to and understanding the game*

*"There really is no confusion...*

*Rule 10, section 5, article a, subsection 3, exception 4 clearly states..."*
